Every Master understands this law. It is the alchemy of the universe. It is the secret of all life: I understand how to manipulate energy and matter, how to rearrange it, how to redistribute it, how to utterly control it. Many Masters have known this. Many know it now. You can know it. Right now.

Ah mad! There is a "method to GOD madness". You know! And the irony is that once you figure out that method, once you begin to understand more and more of how the universe works, you run a greater risk of causing a breakdown. In this way, ignorance can be bliss.

Simply put, it is the way things work. The System. The Process. There's a "method to GOD madness". YOU KNOW

The All-in-AII. The Unmoved Mover. The Prime Source.
